What is the Emerging Leaders Society?

United Way's Emerging Leaders Society (ELS) is a new generation of leaders committed to BIG and LASTING CHANGE in our community.

What makes an Emerging Leader?

If you are looking to network with new people, become a better leader, or make a personal commitment to your community, join United Way's Emerging Leaders Society. Your ability to make a lasting difference starts here.

Emerging Leaders Enjoy:

- Invitations to special events with like-minded young professionals
- Opportunities to roll up your sleeves and volunteer by sharing your knowledge and skills with the community
- Opportunities to learn from community and business leaders

Emerging Leaders who make a minimum annual gift \$100 to United Way, are invited to participate in special events and engagements throughout the year.
