

ANSWERING YOUR CALL

United Way Monterey County (UWMC) needs your support.

Nearly one in three Monterey County households do not earn sufficient income to pay for their basic needs, including housing, child care, food, or transportation.

This current socio-economic state requires all of us to come together to support our community. **Bay Federal Credit Union**, through the workplace giving campaign you can to **support UWMC's work through the convenience of automatic payroll deductions or a one-time donation.**

WHO WE ARE

UWMC's mission is to engage the community and focus resources to improve lives in Monterey County.

To achieve these goals, we focus on helping families achieve Financial Stability through access to

-  **Quality and Affordable Early Education**
-  **Child Care and**
-  **Housing**

We also offer a variety of financial support services to help our community members become self-sufficient. But, we don't do this alone. **We have brought our partners together and proudly served Monterey County for over 20 years.**

SERVING OUR COMMUNITY

Our programs are a reflection of our community – one that we are proud to be a part of. As the needs of our County change, we continue to evolve to ensure we're helping in ways that can make a lasting and impactful difference. That impact can be even greater with your help. Thank you for your support as we continue to Answer Your Call.

United Way Monterey County is Answering Your Call.

211 program connects thousands of people each year to resources for anything from Tax assistance to housing to child care to mental health services. We're here to support YOU. Even when you don't where to go for help, United Way will always be here to Answer Your Call. This year, 211 was activated to help serve the community during unforeseen disasters like the Winter Storms and the flooding in Pajaro.

Winter Storms: 211 shared important updates about evacuation warnings, emergency shelters, road closures, resource distribution, and more.

Public Safety Power Shutoffs: 211 partnered with PG&E to provide resources for vulnerable individuals who are affected by these power shutoffs.

Low-cost Broadband: 211 connected residents to UWCA's Broadband initiative for low-cost internet by getting screened for eligibility.
