

Position: Community Impact Coordinator – Smart Referral Network
Reports to: Vice President of Community Investments
Type: Temporary, Part Time, Non Exempt

Background: The Smart Referral Network (SRN) Software is a tool that leverages 211 Monterey County's resource directory to support communication, closed-loop referrals, information sharing and care coordination between organizations in Monterey County. The SRN is also a coalition of 80+ nonprofits and multi-sector partners leading development of a County Information Exchange-model Network to increase access to needed services, improve cross agency collaboration and address the social determinants of health and economic self-sufficiency.

Summary: The Community Impact Coordinator of the Smart Referral Network will provide critical administrative and technical support to SRN Users and agency staff as part of the Community Impact team. This role will provide training, communications, outreach, partner development, plan and document meetings and support to network users. Additionally, this role will aid in the onboarding and long-term maintenance of the SRN technology platform.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Duties include but are not limited to the following:

- Work with the United Way Impact staff to create an engaging, and rewarding usership experience for SRN network partners and their staff.
- Help to design, deliver, and refine trainings on the topics of digital security, inter-agency referral culture, equitable data gathering and use, general technology literacy, etc.
- Support community partners with SRN onboarding, workflow development, troubleshooting and technical assistance.
- Monitor and respond to technical support requests from the SRN users.
- Monitor SRN referral inboxes and communicate with network partners to encourage them to close referral loops and enroll clients in their services.
- Develop SRN community meeting agendas and facilitate network meetings
- Support data governance activities to ensure that the SRN platform is equity-focused and is compliant with state and national privacy laws.
- Support the development and management of SRN subcommittees (data governance, enhancements, equity, etc)
- Support the development of sub referral networks that prioritize a population of focus with bi-directional referrals, wrap around services and care coordination (youth, mental health, LGBTQ, homeless)
- Support project management tasks. Track internal and external deadlines, create templates, and coordinate with external partners. Maintain organized files and internal records.
- Assist in various aspects of general administrative processes such as: purchasing, invoicing, expense tracking, office automation, customer service, public information, archiving of documents, prepare and send documents, solicit feedback, and incorporate edits and other areas.
- Support grant writing and reporting by drafting narratives, analyzing data, documenting needs and best practices
- Other duties as assigned.

SKILLS, QUALIFICATIONS, & OTHER REQUIREMENTS

- Technological proficiency
 - High level of comfort with technology
 - Ability to learn and adapt quickly to new systems
 - Provide insightful feedback informing the evolution of technological implementations
 - Power-user of cloud-based productivity apps, google workspace preferred
